However, we hope to see the whole town turn out and decorate the mounds in the graveyard on the hill. It is a duty you owe to friends and relatives who have passed within the "Pearly Gates."

—Ladies and Gentlemen, you can get shoes at Drum's for less money than at any other place in Bollinger Co.—Why? Because he carries the largest and best selected stock in the county, he pays cash for all his goods, which enables him to undersell anybody else.

—John Lane came home from St. Louis Tuesday.

—The cool, damp weather of the past few days was a draw back to the strawberry crop of this county. However, the growers are shipping about a carload each day. The berries from this county take the lead in the St. Louis market.

—Ho, ye men of Bollinger County who have political aspirations, it is only sixty-three more days until the primary election, and if you have not yet announced it is high time you were doing so. Procrastination is the thief of time, and somebody is going to be too late. Next!

—You can purchase from Dr. Jaques, Lutesville, sufficient wall paper to paper a room 15 ft. square and 9 ft. high, as low as \$1.50. This includes the border under the ceiling.

—At the township conventions held in Cape County last Saturday, a large majority of the delegates were instructed for Hon. R. Drum for Senator. This is as it should be. This is a promising beginning, and it looks very much like it will be Senator Drum, of Bollinger.

—My! my! What a pile of Drygoods that man Drum has in his big store! I don't see what he does with them! But they say he sells them, because he sells cheaper than anybody else in the county.

—The base ball club of this place went to Jackson Saturday and played a match game with the club of that place. Our boys were defeated, the score standing Jackson 42; Marble Hill 19. A number of people who are not members of the club went over to see the game. Monday the Cape club did what the Marble Hill boys failed to do Saturday, the score standing Jackson 3; Cape 14.

—The District Conference of the M. E. C., S., is in session at Lutesville this week. There are between 150 and 200 preachers and laymen present, and a very interesting time is expected. The services will all be conducted in a large tent, comfortably seated and a ranged, which is located in the grove just south of the stove factory. The first sermon in the tent was preached Tuesday evening by Dr. Goldman of Charleston. His subject was "Experimental Religion," which he handled earnestly and eloquently. The Conference was organized Wednesday afternoon, and the work is going on smoothly.

**Zalma Locals.**  
The Leopold correspondent to the Banner of May 5, takes great pains in blowing of having a good time at the Republican convention at Marble Hill April 23d, and boasting of wiping out the existing Democracy of Bollinger Co. Mr. "Rexie," your party is a little too short. The Democratic party may die (the Republican party can't kill it), but the grand old principles will never, never die. We don't think that the Republicans have got enough enthusiastic young and old men in this county to elect a single county officer, or even a township officer, unless it would be Wayne township and we doubt that very much from the way things look now.
